Be loving and positive in every situation. Anger, frustration, and pettiness accomplish nothing.

Suitable For: Male clients who are fathers or may become fathers.

Time Frame: Anytime a father has non-adult children.

Lesson Objective: To learn the importance of treating the mother of his children with respect.

Instructions: Copy the Discussion Sheet and give to your client. Read along with your client and help them answer questions marked by a red arrow: ➔ Use these questions as an opportunity to expand on the information, give your own insights, and learn more about the client.

Homework: Copy and give the client the homework.

Supplies: Literature 9573RF - Practical Fatherhood — Respecting Parents.

Note: You do not need to remove the master sheets from the protective plastic to copy. You can copy right through the plastic. Start with the last page first and move forward so your copies will come out in order.
